**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition in order to get competitive internet service access at lower prices. I have enjoyed my current service provider for the last seven years without the big service providers that bait customer on initial low prices and then jack up the price a few months later.
